Abstract:

Recently, the Railway Development Strategy 2014 was released by HKSAR. In the strategy, it recommends that seven new railway projects be implemented on or before 2016. After the recommended seven projects are completed, the lengths of railway will over 300 kilometers.

Tunnel construction is one of the main civil projects of the railway construction. In this CPD, Peter will introduce the role and duty of the Land/ Engineering surveyor in Tunnel construction.

Meanwhile, Peter is willing to share his experience in different tunnel construction methods e.g. TBM, Drill & Blast and Cut and Cover.
