

香港工程測量師學會
THE HONG KONG INSTITUTION
OF ENGINEERING SURVEYORS

DVD ROM of
Engineering Surveying Technology and Equipment
Exhibition (ESTEE)

We are delighted to inform you that the **Engineering Surveying Technology and Equipment Exhibition (ESTEE)** [工程測量科技及設備展覽] was successfully launched on 11-01-2008 at the Hong Kong Convention and Exhibition Centre (HKCEC).

The function aimed to provide a platform for the survey equipment manufacturers; software providers; survey experts; geo-spatial academic, engineering surveyors and all professionals in the construction business as well as the general public to get together to exchange and share their views and experience on the latest development of Engineering Surveying Technology through the exhibition which consists of product/service display and five one-hour technical seminars, as listed below:

Seminar No.	Topic	Speaker
1	Some practical applications of recent surveying technology to geotechnical problems in Hong Kong	Dr. Alan KWONG Senior Teaching Consultant Department of Civil Engineering, The University of Hong Kong
2	Monitoring of high building --- IFC	Mr. Vincent Lui Sales Manager – Hong Kong, Leica Geosystems Ltd
3	Intelligent Transport Information System	Dr. CHEN Wu Associate Professor (presented by Dr. Lilian PUN) Department of Land Surveying & Geo-Informatics, Hong Kong Polytechnic University
4	Surveying technology in Slope / Landslide Monitoring	Mr. Ken Ho Kin-sang Chief Geotechnical Engineer / Landslip, Preventive Measures Division 1 (CEDD), HKSARG
5	GPS and GIS integrated application in highway maintenance project	Mr. Don Chan GIS Solution Manager (Commercial Sector), ESRI China (Hong Kong) Limited

The event has been the first of its kind in Hong Kong and we are proud to be the pioneering organizer. HKIES would continually promote the profession around the region in the future.

[DVD-ROM of the exhibition & seminars proceedings](#) was available for any interested party (free of charge). If you want to have one, please email your correspondence detail via info@hkies.org.hk or contact us at 8108 1103.

Yours truly,

LAM Lit Yin
Project Coordinator, ESTEE, HKIES
