Abstract:

The beauty of Hong Kong in the old days vanished so fast. It was fortunate that we can recall the good old days from images, as well as from old maps. Sr. Alan Cheung is a well know historic collector of old Hong Kong stuffs, he had started his collection carrier since 1988, part of his collections have been requested for use by Museums, Universities, Colleges, Government Authorities and private sectors. It is our great pleasure to have Alan to be our speaker and share his historical collection, with the stories and histories that would bring us back the good old memories of Hong Kong.
