Admission: Free of Charge (priority will be given to members of HKIES and LSGI)
[CPD cert. would be charged to attendants: \$20 for HKIES/LSGI members and \$50 for guests, no change will be given.]

Abstract:

There are many professional and stakeholders involving in a civil engineering project. Each party has its own position and function. Engineering Surveyor should clearly understand what his/her role in a project. Thus, it is importance to know the content of Contract very well as well as relevant specification and document. Contract Specification would list relevant requirement, duty and responsibility. Generally, Contract Specification is containing documents such as General Specification, Particular Specification and workmanship specification, etc.

Mr. LAM is the chairman of The Hong Kong Institution of Engineering Surveyor since 2008, and works in land and engineering survey industry over 20 years. He would share and discuss what an Engineering Surveyor should know about Contract Specification.
