

Second Announcement

8th Annual Seminar on Spatial Information Science and Technology (ASSIST 2012)

Friday 2nd November 2012, Hong Kong

You are cordially invited to participate in the 8th of this annual seminar series, the impetus of which is to provide a forum for all participants working in the broad field of Spatial Information Science and Technology to showcase the work they are doing.

Unlike other conferences and symposia, the aim of ASSIST is to provide a friendly and relaxed atmosphere which allows participants to learn on current developments, to exchange ideas, and to establish new relationships. We hope that you can join us in making this a successful event.
