Personal Information Collection Statement :

1. The information provided by you will be used by the Hong Kong Institution of Engineering Surveyors for all purposes related to activities organized or co-organized by the HKInstES.
2. The HKInstES respects your privacy and will NOT sell, lease or share your information with any other organizations other than statutory bodies and in accordance with the Ordinance concerned. The HKInstES will only use emails and the other information for the sole purpose of conducting HKInstES's business and for communicating with members.
3. For correction and access to personal related information collected by the HKInstES, please submit a request to the Secretary of the HKInstES.

The Hong Kong Institution of Engineering Surveyors

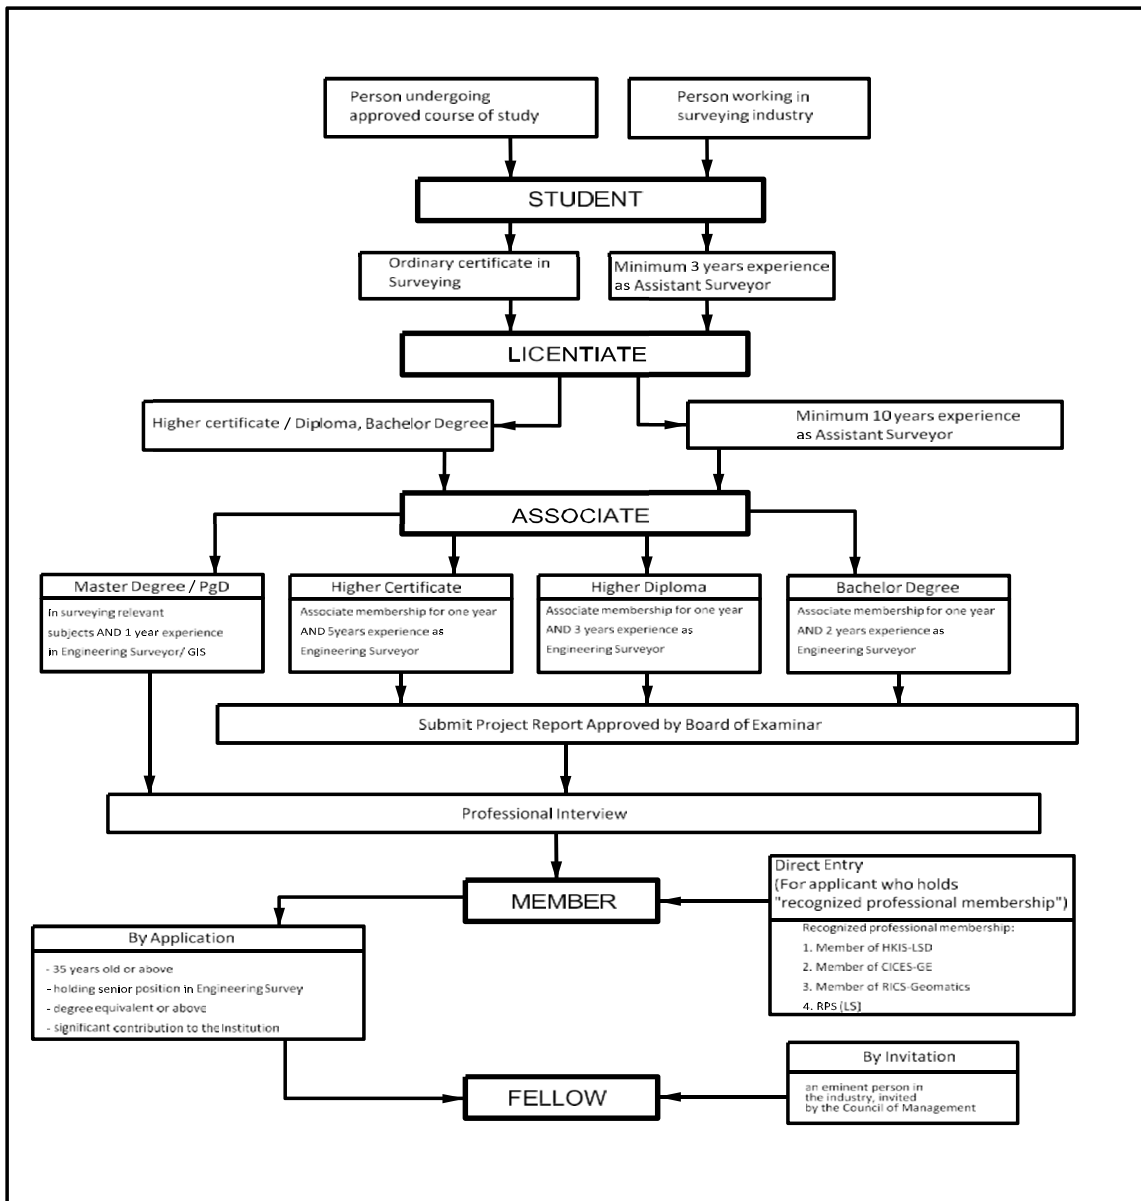

The Hong Kong Institution of Engineering Surveyors (HKIES) was formed in 1996. The primary objective of the Institution is to represent members of the engineering surveying profession in Hong Kong for the benefit of its members and the public. Other objects are:

- To provide members with qualification recognised by the industry.
- To promote, upgrade and maintain high standard of practice and professional conduct for the benefit of the public.
- To organise lectures, seminars, conferences and functions on topic of technical interest.
- To engage in activities in conjunction with other Institutions or Associations.

Membership

The Institution offers five classes of membership namely *Student*, *Licentiate*, *Associate*, *Member*, and *Fellow* for application. Grades of membership will be granted depending on qualification and experience. Applicants are advised to read the route to the membership as indicated below before filling the form. All applicants for admission shall be made to the Council by completing this application form.
